A professional will monitor all contracted staff. Contracted staff will be an Interns4Hire.com employee if you are not in a position to become an employer. You are not responsible for taxes, unemployment taxes, worker’s comp or any liabilities for this employee. You only have to pay your annual financial obligation. Each \$4,200 allows your organization 480 hours per year or 40 hours of labor per month. You can contract as many people you need to complete your project (s) but you must commit to one (1) year.

By signing this agreement, I am stating that I am in partnership with SW Design School LC3. This partnership is indefinite and there is no need to renew every year; however, if work is not satisfactory, client may cancel with a 60-day written notice.
